

The Fox Law Firm provides legal information and resources for injured individuals and their families in all 50 States.

The Fox Law Firm's affiliated attorneys have successfully represented thousands of individuals in a wide variety of practice areas in federal and state courts throughout the United States.

**Experience creates success.** The vast majority of cases handled by the firm are referred by local attorneys throughout the nation who wish to obtain the expertise and experience of the firm in handling complex litigation. Complex litigation has many hurdles for success. The attorneys who refer cases to The Fox Law Firm know that the firm has the necessary legal and financial resources to successfully prepare even the most complex of cases for trial.

**Strength is an asset.** Because The Fox Law Firm has its cases fully prepared for trial and has the trial experience to succeed before a jury, most cases reach positive settlements prior to trial. The Fox Law Firm's affiliated attorneys have successfully represented thousands of individuals and have obtained over six hundred million dollars (\$600,000,000.00) in settlements or jury verdicts for their clients.

**People make the difference.** Despite the legal and financial successes of the firm, The Fox Law Firm never forgets the reason it is here is to serve its clients. Our attorneys and support staff are committed to a personal touch. We understand that many of our clients have needs beyond their legal issues and we work to insure these human needs are taken care of quickly and compassionately. Indeed, when a client calls the office, he or she will talk to an attorney for almost all items.

Please click on "Can We Help You?" in the upper right hand corner of this screen, and fill out our very simple form. We will contact you as soon as possible. If you prefer, you may contact us by calling one of the numbers listed below.

In all personal injury cases, it is extremely important that measures be taken promptly to preserve evidence, investigate the accident or toxic exposure in question, and to enable physicians, attorneys, or other expert witnesses to thoroughly evaluate any injuries. If you or a loved one or friend is injured and may have a potential legal claim, call The Fox Law Firm now at 1-866-FOX-FIRM (369-3476). The initial consultation is free of charge, and if we agree to accept your case, we will work on a contingent fee basis, which means we get paid for our

services only if there is a monetary award or recovery of funds. You may have a valid claim and be entitled to compensation for your injuries, but a lawsuit must be filed before the statute of limitations expires. Do not delay! If you delay, and the statute of limitations time period expires, you may lose all your rights to file any claim for compensation of any kind.

If you are not sure or need additional help, please fill out our form on this website or call us for help at 1-866-FOX-FIRM (1-866-369-3476) or EMAIL us at: [help@foxfirm.com](mailto:help@foxfirm.com) .

A member of our firm will call you as soon as possible to help you determine the possibility of filing a potential claim.

For a free, no-obligation consultation with an experienced attorney regarding cases of personal injury and wrongful death, please submit our potential case intake form on this website for a free evaluation of your situation.
